## Welcome Home

The moment you walk through our campus doors, you'll feel the difference. We offer a special kind of residential ambiance with a focus on customer service excellence. Our campus is designed to help residents maximize their independence and encourage social engagement, while our personalized services and amenities provide freedom of choice and the comfort of peace of mind.

## Short-Term Rehab

Our comprehensive, post-acute rehabilitation program, *Home Again*, helps our patients return home following illness or injury by regaining the strength, functioning, and mobility they need to live as independently as possible.

We even offer a pre-surgical program called “prehabilitation,” which can help reduce the amount of pain and recovery time following your surgery.

## Health Center

Our elegant and comfortable Health Center provides 24-hour skilled nursing and comprehensive long-term care services that are specially tailored to meet your specific needs.

## Assisted Living

Our Assisted Living Residence offers gracious living in beautifully-designed private apartments, along with a professional staff who are guided by our unique assisted living philosophy: “We are here to help you take care of yourself.”

## Transitional Care

Our Transitional Care Suites (TCS) offer a special healing environment for patients who no longer require all the resources of an acute care hospital, but who are still too ill to be cared for at home.

## Independent Living

Our Independent Living Villas offer all the comforts of home without the hassles of home ownership. A housekeeper, a gardener and a handyman are only a few features of our luxurious retirement living that you'll enjoy, while being only steps away from the other 5-star amenities of our health campus.
